

Coronavirus guest information

Dear guests

We are very pleased that we will reopen our Hotel Restaurant Pizzeria Sonne St. Moritz on Monday, May 11th, 2020.

We are fully supportive of the decisions of the Federal Council. In this challenging time, it is particularly important for us to do everything possible to contain the corona virus.

For your personal safety and that of our employees, we have developed the following protection concept, in accordance with the decisions of the Federal Council and the requirements of the Federal Office of Public Health, as well as the respective industry associations.

- All employees who deal with people for longer than 15 minutes and closer than 2 meters wear protective masks or visors.
- Plexiglass panels were installed in the reception area. - Hand disinfectants are placed in all public areas.
- In the area of the restaurant, employees are required to disinfect their hands after clearing the dishes.
- The employees of the cleaning staff and the kitchen are required to always wear gloves for their work, the kitchen staff wears also protective masks.
- The restaurant's toilets are cleaned 5 times a day.
- Guests who pick up take away have their own entrance and waiting area.
- All guestrooms are disinfected with ozone after guests departure

As a further precautionary measure to limit the spread of the coronavirus, we kindly ask you to refrain from visiting the Hotel Restaurant Pizzeria if you have not felt healthy in the past 10 days or if you have acute symptoms such as fever and / or cough and cold symptoms.

We sincerely wish you and your families all the best and look forward to seeing you again soon.

Kind regards from the Hotel Restaurant Pizzeria Sonne St. Moritz
